PROGRAMS

Computer Connects: provided nonprofits and schools 4,000 computers in 2010 and worked with the Indiana Association of United Ways to provide computers so that 90 United Way agencies in 17 counties throughout the state could build or expand computer labs.

Safe Connects: Built by students and endorsed by the Indiana Department of Education, this student-to-student Internet safety training program is teaching 12,000 IPS students about cyber bullying and Net predators.

Financial Connects: Endorsed by the IDOE in 2010, a financial literacy contest is providing \$95,000 to students interested in making financial literacy videos and Web-based games

Digital Literacy: created a digital inclusion and literacy “best practices” site that was endorsed by Internet associations representing 225,000 Internet companies in five continents in 2010

Community Connects and Senior Connects: increasing digital inclusion and cited by the Federal Communications Commission in the National Broadband Plan presented to Congress in 2010
